Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Myo-Plus helps support the muscular system and contains 24 mg of Coenzyme Q10 – a vitamin-like substance, well established in scientific literature as an important nutrient in maintaining healthy cardiovascular function.\*
- (2) Myo-Plus is also helpful in maintaining healthy blood sugar levels through healthy muscle metabolism and efficient glucose utilization.\*

These statements are made for a dietary supplement containing a proprietary blend of bovine heart PMG™ extract, bovine liver, choline bitartrate, calcium lactate, porcine stomach, bovine orchic extract, *Tillandsia usneoides* powder, defatted wheat (germ), nutritional yeast, allantoin, inositol, bovine spleen, ovine spleen, bovine adrenal Cytosol™ extract, bovine brain, and oat flour. Other ingredients include honey, selenium yeast, niacinamide, ascorbic acid, mixed tocopherols, potassium para-aminobenzoate, calcium stearate, arabic gum, glycerine, riboflavine 5'-phosphate, and pyridoxal 5-phosphate. And the name of the product is Myo-Plus®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

*Ann M. Holden*

Ann Holden
